DWFM 92.3 "Most Requested Song"

The FM Radio of the Catholic Media Network and Nation Broadcasting Corporation, the station broadcasts in Digital Stereo and in HD Radio. The postponed relaunch is now set at August 1, 2008. Prior to the announcement of the launch date, the station's DJs began providing live spiels again every top of the hour since June 26.

The station had its last broadcast under the XFM 92.3 brand on June 22, 2008 and underwent a transition period playing automated music in preparation for a relaunch of DWRR-FM's new branding on October 1, 2009. However, due to the recent onslaught of Typhoon Frank in Manila, the station rebrand was postponed until further notice. For the time being, DWRR-FM temporarily went under the name "ABS-CBN 101.9 FM" or Plain "101.9".

But as part of the ongoing transition, the disc jockeys had limited their use of the neither Your Kind of Mix slogan and no longer mention the format of the station's SMS syntax except the text hotline itself. Starting August 3, 2008, our 24-hour broadcast schedule of the English FM stereo radio network:
